The five character codes included in the Maryland Workers' Compensation Commission Guide of Medical and Surgical Fees are obtained from Current Procedural Terminology (CPT®), copyright 2024 by the American Medical Association (AMA). CPT is developed by the AMA as a listing of descriptive terms and five character identifying codes and modifiers for reporting medical services and procedures performed by physicians.

The responsibility for the content of the Maryland Workers' Compensation Commission Guide of Medical and Surgical Fees is with the MD WCC and no endorsement of the AMA is intended or should be implied. The AMA disclaims responsibility for any consequences or liability attributable or related to any use, nonuse, or interpretation of information contained in the Maryland Workers' Compensation Commission's Guide of Medical and Surgical Fees, fee schedules, relative value units, conversion factors, and/or related components are not assigned by the AMA, are not part of CPT, and the AMA is not recommending their use. The AMA does not directly or indirectly practice medicine or dispense medical services. The AMA assumes no liability for data contained or not contained herein. Any use of CPT outside of the Maryland Workers' Compensation Commission Guide of Medical and Surgical Fees should refer to the most current Current Procedural Terminology, which contains the complete and most current listing of CPT codes and descriptive terms.
